The 1992-93 year began in a most uneventful way in August. Little did we know what it had in store for us.

The year brought several "firsts". It was the first time we would be without our pool, the first time we had roller skating in P.E., and for the first time, we were to have a new scoreboard in the gym.

In the fall, cold damp days arrived. Our furnace broke and parts were slow to arrive. We wore heavy jackets to classes and shivered together for several weeks.

Winter arrived and brought with it snow storms and bad roads. This

bad weather gave us unexpected vacation days from school. If winter brought bad weather, it also meant the beginning of the basketball season. We were proud of our team that finished with a 20+ season. Homecoming was also a winter event that brought much anticipation.

Spring arrived slowly and with the warm days our thoughts turned to the senior trip, prom, and to the end of the school year.

We would say goodbye to two of our teachers. Mrs. Pepa left for personal reasons and Mrs. Blackburn retired after twenty-one in this district.

POM PON SQUAD ENJOY NEW UNIFORMS

The 1992-93 Pom Pon squad consisted of six girls: three Freshmen, two Juniors, and one senior. The year began with new sponsor, Tricia Trimble. The squad learned new moves at the pom pon camp held at her dance studio during the summer.

The girls earned enough money to buy new uniforms for the new season. One of their most popular activities was to hold a pom pon clinic at the grade school.

Toward the end of the season things got a little rough at

CHEERLEADERS EXPERIENCE TROUBLESOME YEAR

This year's cheerleading squad started out with four girls and no sponsor.

Mrs. Barbara Smith saw the cheerleaders dilemma and volunteered for the job. She added two new girls to the squad and then the work began. The first three weeks were the toughest because they had to learn new cheers for the Melvin-Sibley tournament.

Besides cheering, the girls collected donations for homecoming and still found time to throw a supper for the basketball team.

UNDERCLASSMEN

Freshmen Begin Again

The Freshman class started high school well aware that once again they would have to work their way back to the top. Each was ready and willing to accept the new challenges that high school had to offer.

For money-making projects, they had bake sales and cake raffle concessions at each home basketball game.

Most of them would become involved in school activities such as football, volleyball, and basketball.

Last spring the Seniors elected class officers for the '92-'93 school year. In December they were busy getting ready for homecoming. Some of their preparations included participating in the wall-deck contest and decorating the gym for the homecoming dance.

Some of their fund raisers included cake raffles, donkey basketball, pizza sales, and various other things. All of the above fund were to go toward their senior trip.

SENIOR STATS

BENNY BAKER: (Nickname, Ben'jam'in)
Activities: Basketball 1, 2, 4; Track 1, 2; Letterman's Club 1, 2; Life Savers 1, 2, 3, 4, President 3, 4
Ambition: To either go to the army for 4 years, get out, and start my own shop. If not that, then play professional basketball for the Atlanta Hawks. But if these fail, then get a trailer in a small town with no power or water and mooch off of everyone.
Best Friend: Myself — cause no one else is worthy of it
Favorite Food: Anything but Hardee's (Right Joe!!)
Favorite TV Program: Home Improvement

AMARYAH CHRISTINE COOLEY
Activities: Chorus 2, 3
Interest: Art, Music
Ambition: To be a success in life and to help Chris slaughter the herd (MOO)
Best Friend: Chris Cruise and Betty Baker
Favorite Food: Hamburgers
Favorite TV Program: Fawly Towers

JUSTIN KENT GOBLE
Activities: Basketball 1, 2, 3, 4; Track and Field 1, 3, 4; Letterman's Club 1, 2; Student Council 4; Jr. Class Vice-Pres.; Senior Class Student Council Rep.; Student Council Vice-Pres. 4; Jr. Class Homecoming Attendant
Interests: Every second I can spend with my girlfriend, Kristi; listening to country music, watchin Da Bulls; my Monte Carlo SS; the University of North Carolina, Chevy, going to church and snowball, talking with friends, the triple-jump in track and thinking about my future after D-W!
Ambition: After graduating from D-W, I will go to Parkland College for two years, majoring in agriculture. While going to Parkland, I will work on our farm and spend most of my free time with Kristi. After Parkland, I will marry Kristi and start farming full time. On down the road, I will become the head of Goble farms. Isn't life grand?
Best Friend: Kristi
Favorite Food: Monical's pizza with French dressing
Favorite TV Program: Seinfeld

NATALIE HARRIS
Activities: Volleyball 2, 3, 4; Cheerleading 3, 4; yearbook 1; band 4; chorus 3, 4; softball 1
Interests: Making fun of Kris and Charity playing with acid in chemistry. Throwing paper wads in Charity's hair and racing down Route 10.
Ambition: I'm going to the University of Mississippi.
Favorite Food: Avocado and bean burritos from LaBambas

JESSE HUISINGA
Activities: Basketball 1, 2, 3, 4; baseball 2, 3, 4; Student Council 4; Lifesavers 3, 4
Interests: Baseball, classic rock, being with Denise, partying with my friends, listening to Geoff Wilson talk about how great he thinks he is
Ambition: Go to college and then get a good job, hopefully marry Denise and settle down.

Interests: Snowmobiling riding my horse, snow skiing, going out with Anne. FLIRTING! Working on the farm.
Ambitions: To take over Polaris's Snowmobile Department and live in St. Germain, Wisconsin. By then I will be in the millions. Then find a 1969 Ford Boss 429 Mustang, completely restore it inside and out. Go in front of Justin Roos and roste off the P295 x 60 x R17's until he admits that the Mustang was and will always be better than any Camero! Another ambition is to finally see Colin's 327 in his truck

Best Friend: Anne Roesch and Star
Favorite Food: Lasagna
Favorite TV Program: Home Improvement

SHAWN WILLIAM LEISCHNER
Activities: Basketball 1, 2, 3, 4; Football 2; Student Council 1; Vice-President 1; treasurer 3, 4; National Honor Society 3, 4
Interests: Playing basketball, golf, and tennis; tractor pulling, snowmobiling, R/C cars and trucks, working on the Tornado, racing in the Tornado against Justin Roos' Regal and kicking his butt; making fun of Chris Poole's love life.
Ambition: Attend Parkland College for 2 years, then transfer to Georgia Tech. I will help them to 2 NCAA titles. I will get drafted by the Charlotte Hornets, but can't play after my first year because my knees and ankles are so worn out from all the Zs Mr. Parrish used to make us run. I collect my \$1.5 million and become President of Ford Motor Company with Justin Roos as my Senior Vice President and Shannon (my twin) as Executive Vice-President. We will then develop, construct, and test the most awesome Ford Mustang ever thought of. This car will out run and out perform any other car in the world — even Mr. Cunningham's Eclipse and Doug's '79 Camero.
Favorite Food: Chocolate mousse from the Olive Garden
Favorite TV Program: Transformers

Kraig Westray's dress drew lots of attention at homecoming. Benny Baker looks on.

ACTIVITIES

Homecoming '93

Homecoming Day finally arrived on Friday, January 29. The basketball game was with Blue Ridge where the Eagles won 56 to 36. The week prior to Friday had been exciting and fun. Monday was Hat and Sunglasses Day, Tuesday was deemed Opposite Day, Wednesday was Clash Day, Thursday was Slave Day, and Friday was Maroon and Grey Day.

Students came to school early and left late as they scrambled to get their wall

decks up for Friday's judging. And the Winners were: First Place, Seniors; Second Place, Freshman; Third Place, Juniors, and Fourth Place, Sophomores

The Homecoming Dance was held on Saturday, January 30. Natalie Harris and Kraig Westray were crowned Queen and King for the evening. A DJ provided music for dancing. Everyone agreed that it had been a fun week.

"SHE'S AT SEA"

The script was read, parts were assigned, and practice began. Six weeks later, the Music Depart-

ment presented the musical, "She's At Sea" on Saturday, April 24. A large crowd was on hand to enjoy the performance. P.I.E. prepared desserts for the enjoyment of everyone who attended.

A thunderstorm rum-

bled during the entire performance. With three minutes left, the lights went out and the play was finished in the dark. Needless-to-say, it was an evening we would not soon forget.

Yearbook Begins Year With Experienced Staff

Seniors Chasidy Powell, Melissa Skaggs and Candi Remmers returned to yearbook class and thus became the "experienced" staff. Several newcomers joined them. Darren Uden, Donna Marsh, Crystal Anderson, and Wiley Shott came in with enthusiasm and were eager to learn.

This group set a record in dollar volume when they sold ads in neighboring towns in September. And this was only the beginning of their schedule for the year. Most would agree, tho, that it was a great deal of work, but a great deal of fun too.

1. Chasidy Powell, Melissa Skaggs, and Candi Remmers sort pictures

2. Candi Remmers, Donna Marsh, Darren Uden, Wiley Shott, and Crystal Anderson hunt for just the right photo

3. Wiley Shott, Candi Remmers, Darren Uden, Donna Marsh, Crystal Anderson, Chasidy Powell, Melissa Skaggs, Mrs. Blackburn, Sponsor

Music Classes Showcase Talents

1. BAND: Mrs. Schlesinger, Crystal Anderson, Travis Langley, Natalie Harris, Joshua Shofner, Kelli Roos, Pam Krause, Korey Neibarger, Rindi Peterson, Nathan Seal, Joe Woolums, Donna Marsh, Charity White, Kristin Smith
2. CHORUS: Charity White, Natalie Harris, Candi Remmers, Cindy Lubbers, Chris Cruise, Josh Shofner, Isaac Peterson, Denise Johnson, Dana Schroeder, Wendy Collins, Jessica Julius, Korey Neibarger, Donna Marsh, Kristin Smith, Geoff Wilson, Stephanie Tritchler, Adrienne Sosamon, Rindi Peterson, Ginger King, Laura Workman, Casey Hicks, James Trimble

Chorus and band students perform in two concerts a year. One takes place at Christmas and the other in the spring. Each demands long hours of practice outside the classroom. Most members participate in a state music contest as well.

Perhaps one of the most enjoyable activities for the music students is a yearly trip which usually takes place on the last day of school. Trips, however, take money so students must do a little fund raising. Selling cheese and sausage is their best fund raiser, but they also sell posters and various other small items. In the past, they have gone to Chicago and St. Louis; but this year their goal was to go skiing in February.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text outlines various methods for organizing and storing data, including digital databases and physical filing systems.

2. The second section focuses on the role of technology in modern record management. It highlights how cloud storage and digital archiving solutions can significantly improve the efficiency and security of data storage. The author notes that while technology offers many benefits, it also introduces new challenges, such as data privacy and cybersecurity risks, which must be carefully managed.

3. The third part of the document addresses the legal and regulatory requirements surrounding record-keeping. It provides an overview of key legislation and standards that organizations must adhere to, ensuring compliance with both local and international laws. The text also discusses the importance of regular audits and reviews to verify that record-keeping practices remain up-to-date and effective.

4. The final section offers practical advice and best practices for implementing a robust record management system. It suggests that organizations should develop clear policies and procedures, assign specific responsibilities to staff members, and invest in training to ensure everyone understands the importance of proper record-keeping. The author concludes by emphasizing that a well-maintained record system is not just a administrative tool, but a critical asset for any organization.
